I am pleased to recommend **Muhammad Muaz Bhutta** who is applying for higher studies at your institute. I found him hardworking and enthusiastic student. During his studies, his conduct and behavior with his class fellows and faculty members was excellent. His English proficiency is good. He is a good learner and has potential to learn new skills.

Muhammad Muaz Bhutta is a trustworthy, reliable good-humored person, who always supports others in difficult situations. He was a pleasure to have in classroom, and his positive attitude towards problems is an immensely admirable asset.

I am confident that if given a chance, he will prove himself to be an asset for your institute. I pray for his success in his future professional career and strongly recommend him for studies at your prestigious institute. Please feel free to contact me in case of any queries.
