### RECOMMENDATION LETTER

I am honor to introduce **Muhammad Muaz Bhutta**, as my student is applying for higher studies and education. During his studies, his conduct and behavior with his fellows and faculty members was excellent. His English proficiency is good. He is a good learner and has potential to learn new skills.

Muhammad Muaz Bhutta is a trustworthy and good-humored person, who always supports others. He has a positive attitude towards problem solving. His Knowledge of Networking, Web Development, Machine Learning, IoT and expertise in Project Management was a huge advantage to our University.

I am confident that if given opportunity, he prove himself to be good contribution for your institute. I pray for his success in his future professional career.
